

FEB 27 2007

Figure 3 is a perspective view of [a perspective view] showing the rear side portion of the belt clip shown in figure 2.

Figure 4 is a plan view of the end portion of the tape and member shown in figure 2.

## REMARKS

The paragraph beginning "Figure 4 ..." was added to make the specification consistent with the drawing. The change in the paragraph beginning "Figure 3 ..." was made when it was observed that there were duplicate words within that paragraph.

If there is any problem with the above changes putting the application in form for Issue please telephone the attorney so that this problem may be immediately resolved.

As this response is made timely no fees are enclosed.
